# Foreword

To the Students and Teachers of Elmore City High School:

The history of a school year is captured in a multiplicity of ways: the minutes of the meetings of the many student organizations, athletic events, and the memories of students, all record portions of the historic narrative of the year's doings. Putting much of this history into compact form, into interesting and enduring form, and in a form that will retain forever the romance and wonder of school days, is the province of the BADGER.

This year's BADGER, the result of many hours of hard work, both mental and physical, aptly carries on the tradition of the BADGER of former years.

The vast sheltering tree of knowledge that is Elmore City School had its beginning in 1890's. From these small roots which this tree has sent out, has grown a modern, equipped building, fully staffed with a competent faculty, who conscientiously give of their best to train students in good citizenship.

The school, as we know it, is beginning to fulfill our dreams. Our reputation stands out as a challenge to each of us to live up to this recognition... a recognition difficult to live up to but one which we strive in every way to merit.

Elmore City High School has grown from a small country school to include the academic building, Home Economics Department, band room, auditorium, modern classrooms, an excellent hot lunch program, Agriculture building, football field, and gymnasium; this year we have added a new bus shed. Within these grounds, we work and play, ever remembering that each branch of this tree of knowledge is a pathway to success.

May this edition of the BADGER with its "Silhouettes" of the past be a reminder of the memories that we all have to share.

Jerry Williams
Editor-in-Chief

# Building

The Commercial Department of Elmore City High School under the supervision of Mrs. Ellen Dollarhide and Mrs. Bonnie Smith provides many Junior and Senior students with valuable training. Commercial subjects taught are Typing I, Typing II, Shorthand, and Bookkeeping. Some adult classes in typing and bookkeeping are also taught. The BADGER ECHO, the school paper, is published by Mrs. Smith's Typing II class.

The Home Economics Department of Elmore City is a new, fully-equipped building that is the favorite spot for many of the E. C. H. S. girls. The department is under the supervision of Mrs. Ethel Nale, a graduate of O. C. W. In this department the girls become skilled in cooking and sewing. Mrs. Nale also conducts some adult classes in such work as food values and furniture renovation.

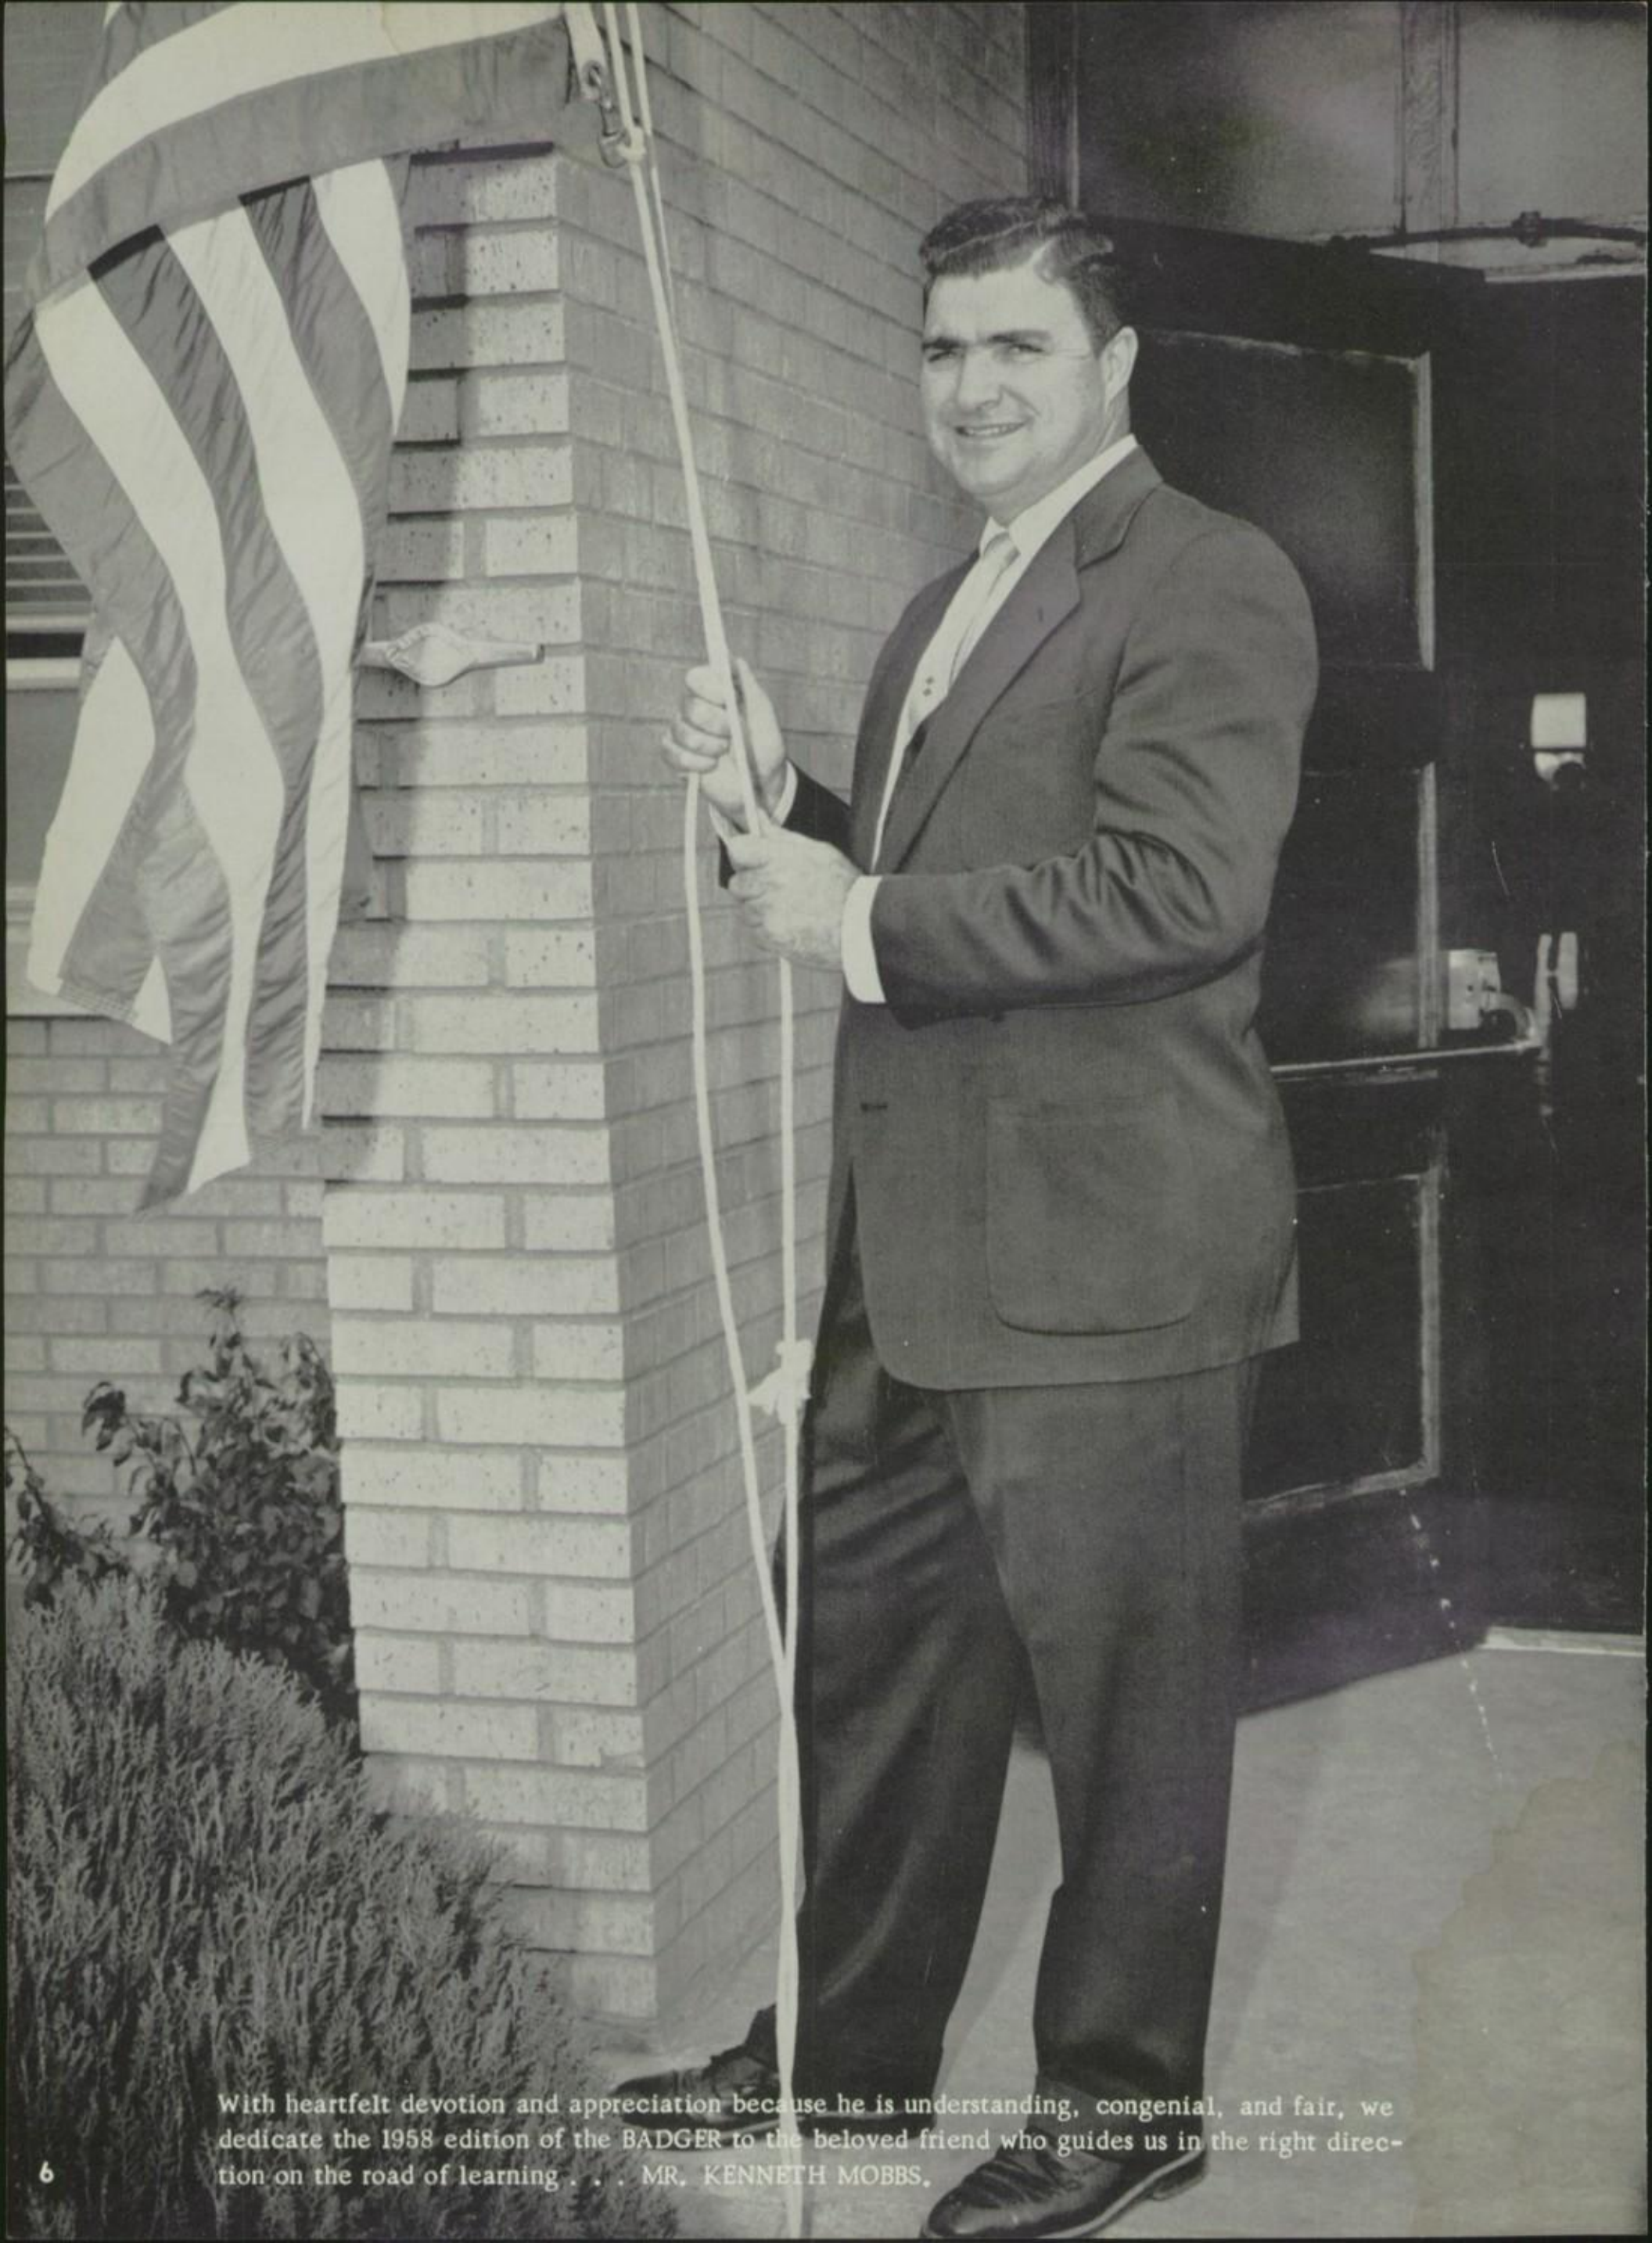
The Shop Department can well be proud of the beautiful furniture made by the boys. The department is under the supervision of Mr. Paul Sandmann. In this picture Derrel Parkey and Tony Priest display some of the furniture made this year. Derrel is a Senior and Tony is a Freshman.

# Interior

The corridor is neatly kept by the students of E. C. H. S. A favorite spot in the corridor, of course, is the Coke machine installed this year. This view of the corridor is in the South end of the building and it leads to the double doors that open into our auditorium.

In the auditorium many pep assemblies, class assemblies, the band concerts, and general assemblies are held. Folding doors open the study hall-library to add seating space.

Elmore City High School has one of the most efficient and beautiful band rooms in Garvin County. The Football Banquet, F. F. A. Banquet, F. H. A. Banquet, and the Junior-Senior Banquet are also held in the spacious bandroom. Individual practice rooms are provided for the students who have practice time available.



With heartfelt devotion and appreciation because he is understanding, congenial, and fair, we dedicate the 1958 edition of the BADGER to the beloved friend who guides us in the right direction on the road of learning . . . MR. KENNETH MOBBS.

To Students and Friends:

We enter through the doors of Elmore City High School that we may grow scholastically, socially, physically, spiritually, and increase our understanding of ourselves and of our fellowman. I believe that nowhere is the youth of America given a better laboratory to meet all of these needs than in our American public school system. I believe that the students of ECHS have met the challenge well and have developed high ideals along the way.

This edition of the BADGER gives you, the student, an unending history of your past year at ECHS. The faces of many friends are here. I wish to congratulate the Sponsor, Editor, and Staff Members upon the excellency of this undertaking.

Message from the Principal:

The work put forth toward building this annual is typical of the energy, attitude, and generosity of "our" students. They are willing to put forth a little more in order to have things better than the year before.

When students are willing to put forth the effort, the awards are always justified. A yearbook, the school, or the pupils themselves are only as good as they themselves make it. I am happy to say the boys and girls have met the challenge equally well.

I hope this annual will be an inspiration to those who follow; to do as well not only with the tools to build an annual, but also with tools to mold their lives.

Good luck always,
Kenneth Mobbs

Everyone in Elmore City had fun at the Halloween Carnival. The proceeds from the carnival went to the band. Competition was keen for the Queen race, but the sophomores won by a large margin. Bingo was a big attraction for the crowd. The food concessions were also a very popular place. Many stands reported a lot of business.

The people of Elmore City have every right to pay tribute to the Pride of Elmore City, the Elmore City High School Band. Since the organization of the band they have built up an excellent record unparalleled by bands with more experience and training. Only in the third year of existence they made a complete record of superior rations and reached the ultimate goal of bands, the privilige of going to the State Contest where they were rated with a "superior" standing. We wish this fine organization the very best of luck in their coming contest season.

Our officers are President, Bobby Martin; Vice President, Charles Dean; Secretary, June Boyd; Librarians, Virgina Hursh and Charles Evans. The chorus has made two appearances this year, and plan to observe the O.U. Chorus at Norman, and the district meet at Ada. They also plan to go to state contest, if they win in the district. The first appearance was made with the Band at Christmas time. The combined group put on two performances one in the afternoon and the other at night.

# Lettermen's Club

BOBBY MARTIN, President

A new organization on the campus is the Lettermen's Club formed under the sponsorship of Coach Riley Church. The Club was formed for the purpose of lettering those who participated in sports. This organization has also helped to bring about better relationships between the boys themselves.

On a well-planned three-day fishing trip to Lake Texoma, some of the members were unfortunate and were marooned on an island in the lake. The plans were upset somewhat. The club plans to make this trip an annual affair.

There are twenty-six members of the organization. The officers are Bobby Martin, president; James Rinker, vice president; and Ray Lee Carlton, secretary.

Due to the early shipment of the annual all of last year's scores are shown above and the remaining are this year's scores.

Over-all in the two basketball seasons, the Elmore City Badgers have won eighteen games and lost nineteen.

Above: THE BADGERETTES with Coach Charles Burnett. From left to right: Glenda Blankenship, Pat Hancock, Floy Bullard, Wanda Roady, Sue Emberlin, Pat Guthrie, Loretta Jackson, Jo Ann Woolsey, Alene Hayes, Marquieta Stubblefield, Ruth Golden, and Leona Moore.

Left: Coach Charles Burnett and All-State Forward Alene Hayes. One of the guards, Frances Phillips, also made the All-State Team.

Due to the advance shipment made for the yearbook last year, it was impossible to include last year's scores in the 1957 BADGER. We are including these scores in the 1958 edition.

The girls in the past two years, at the time of this publication, have played 51 games, losing only 4 games; Two of these to Bray, one to Byng, and one to Stonewall, all of these teams are among the best in the state of Oklahoma.

The girls were winners of the County Tournament '57; 2nd place in the Lindsay All-Girls' Tournament '57; 1st place in Lindsay All-Girls' Tournament '58: District in '57; Regional '57; Conference '57.

(Tournaments, continued)
Tied for 3rd place in the State Tour-- nament in '57. At the time of publi- cation the 1958 tournaments other than the Lindsay All-Girls' Tournament which the girls won have not been played, but the future looks bright for Coach Burnett and the BADGERETTES.

A SENIOR SPEAKS

I flunk tests in the spring time,
I flunk tests in the fall;
But when I take mid-term exams,
I flunk tests best of all.

They are so long and hard and cold,
And I tremble as I look
To see the things I could have answered,
If I'd only cracked a book.

I sit and gaze and guess and guess
And flip a coin for one;
I sit and gaze and guess and flip
Until the time is gone.

But when I leave the class room,
I feel much better then;
Because I feel that fate has brought
At least one out of ten!

I've flunked the test as sure as life,
But I don't feel outcast;
For in so doing I've lowered the curve
So others can say, "I passed!!"

Senior Pat Hancock is crowned queen of the 1957 Badgers. June and Neva Sue are attendants.

Keith and Pat, the Senior lovebirds, wash windows for money for the Senior trip.

Leah and Jerry placed last in the race at the Senior-Freshman party.

Punch, Cake, and Ice Cream was the menu for the refreshments.

# Juniors

The Juniors are very proud of their class this year because of their outstanding achievements, first off they won the Intramural Basketball Tournament, both Boy's and Girl's also the Girls' Football game sponsored by the Juniors. They also have big hearts they gave the concessions to the Seniors to sponsor their trip. Plans are now being made to have a Junior-Senior Banquet, which we hope to have at Texoma Lodge. We are very proud of our very fine sponsors Mrs. Dollarhide and Mr. Church. All in all the Juniors are a very responsible class.
